steelseries SIBERIA IN-EAR HEADSET

steelseries professional gaming gear

Product description

SteelSeries Siberia In-Ear Headset combines in-ear earphones and a uni-directional microphone. The headset is specifically designed for a multitude of uses including MP3-players, laptops, Sony PSP and other-portable consoles as well as IP-telephony with the separate uni-directional microphone. To ensure maximum comfort the earphones can be adjusted by using one of the two earpieces supplied with it to fit your ear comfortably and passively reduce surrounding noise allowing for disturbance free IP-telephony.

Special features

* Rich sound experience
* Passively reduce background noise
* Uni-directional microphone

Product availability date

August 2007

Part number

Black: 51008, White: 51007
